The Oldsmobile Club of Southern California is one of the largest and most active chapters of the Oldsmobile Club of America. The club participates in various events and outings such as car shows, private collection visits, museum tours, and many other activities.

Meetings are held once a month, where we plan and organize club activities, and, of course, enjoy breakfast among fellow members. These meetings are open to all local clubs, members and interested prospective members.

By joining the club, you'll receive a monthly 40-page newsletter by email (awarded Best Newsletter among all OCA chapters), as well as private, members-only access to our website. Our Facebook group is also available for you to post or browse free Oldsmobile-related ads.

But above all, by joining the OCSC, you'll meet new friends who share the same passion, members with incredible knowledge who are always willing to help with every aspect of owning an Oldsmobile.

While it's not required, we recommend that you also join the Oldsmobile Club of America.
